## Glades-Wide Group Witnesses Rardin Chairman Election

Monday's reorganization meeting of the Palm Beach County Commission was the best attended of any such meeting held during the past 15 years. Citizens from Canal Point, Pahokee, Belle Glade and South Bay were in the audience when Commissioner Paul Rardin was elected to the chairmanship by unanimous vote of the commissioners. The commission room was banked in every available spot with magnificent bouquets from Rardin's Glades Friends, each bearing a word of congratulation and best wishes to the new chairman and the other commissioners. All available tables in the lower floor of the court house were pressed into service to hold the many, many beautiful flower arrangements sent for the special occasion.

Mrs. Rardin and her mother, Mrs. W. O. Strickland of Glennville, Ga., were on the front seat to witness the reorganization. They were accompanied by friends and neighbors of Canal Point, Mrs. Earl Maxson, Mrs. Don Kepp, Mrs. J. S. Chastain and Mrs. Will Nason of W. Palm Beach. From Pahokee Woman's organizations and offering congratulations to the new chairman were: Mrs. Frank Friend, Mrs. Jess Elliott, Mrs. Claude Shirley, Mrs. L. W. Armstrong and Mrs. Don Hillier. Lawton E. Carruthers, city manager of South Bay, was also present for the meeting.

From the official family of Belle Glade there were: Mayor Paul Davidson, City Manager Cleveland Talmadge, Councilman William Evans, Councilman F. C. Markham. From the Belle Glade Chamber of Commerce there were: President Urban Feising, Secretary I. L. Price, Dr. Tom Bregger, Chamber member representing Pahokee and Belle Glade on the County Fair committee and Luther Jones, immediate past president of the Palm Beach County Resources Development Board and publisher of The Belle Glade Herald. Editor Jones spoke in behalf of the Belle Glade delegation and complimented Commissioner Rardin for a job well done and termed him "A good and efficient commissioner." He said further that the Glades area is proud to have Commissioner Rardin in the Chairman's office for the coming year.

From women's organizations in Belle Glade there were: Mrs. Tom Bregger, Mrs. Walter Hooker, Mrs. Layton Scott, Mrs. I. L. Price and Mrs. Curtis Thompson.

Rev. Charles D. Stewart, pastor of the Canal Point Baptist Church was among those present and immediately upon election of the new chairman, before any commission business was brought up for consideration, Chairman Rardin asked Rev. Stewart to offer a prayer.

Fourteen members of the Canal Point Woman's Society of Christian Service attended the first session of the study course on "United Nations" being held at the Pahokee First Methodist Church every Friday during January. Mrs. Taylor of Belle Glade was speaker at the first session.

## GLADES COMMISSIONER PAUL RARDIN IS NEW CHAIRMAN OF COUNTY BOARD

In one of the most colorful and well attended ceremonies ever to mark a change in County Commission leadership, Paul Rardin, Canal Point was named chairman of the board Monday, succeeding Commissioner Luke Lytal.

Before a packed commission audience—most of them friends and neighbors of the Glades commissioner—Rardin was given a unanimous vote of his colleagues to serve as their chairman for the coming year.

The Canal Point commissioner, who has served as vice chairman of the board during the past year, was nominated for the post by Commissioner Roy Michael.

Commissioner Michael said that Commissioner Rardin, during his 16 years on the board, "has demonstrated his ability as an administrator and has proved himself an active and efficient commissioner."

Michael added that all members of the board back up Commissioner Rardin with great esteem.

### Local Pastor Participates

Rardin said he wanted to put into the ceremony something that hadn't been done for years. He asked the Rev. Charles D. Stewart, pastor, Canal Point Baptist Church, to offer a prayer. Mrs. Rardin stood beside her husband during the prayer, in which the minister among other things, said operation of Palm Beach county now is a big and responsible business and requires Divine guidance.

### Glades Delegations

Mrs. Frank Friend, president of the Pahokee Woman's Club offered a friendly greeting and congratulations from her community to the new Chairman.

Luther Jones, Belle Glade editor and businessman, speaking for the Belle Glade area, said the area west of Twenty Mile Bend had given the county the top share of its income through its farming activities. He added that only half the area was now developed and that the Glades will continue to grow and prosper.

He said the county commission is close to the people and "no group has more weightier problems."

### Jones Praises Rardin

He paid tribute to the new chairman by telling the audience that in the past he had opposed Commissioner Rardin on some matters and had disagreed with him in politics "but I have always thought he was a good and efficient commissioner."

Jones said the Glades is proud to have one of their residents as chairman of the board. He complimented the entire commission for what he termed "the board's ability to keep their feet on the ground."

Following his election as chairman, Commissioner Rardin said he wished he had the time to review the activities of the board and to take the opportunity to tell residents that a commissioner "does

more than haul a load of shell or patch a wooden bridge."

### Board Stays Busy

He told the audience that among the many commissioners in the state, members of the Palm Beach County board have won outstanding honors. He cited the instance that in the State Association of County Commissioners, which is operated by 18 committees, that four of these committee chairmanships are held by Commissioner Michael, Foster, Lytal and himself.

Much of the credit for any honors won by the board, Chairman Rardin said, is due to the people who hold key positions in the county or organization.

At this point, the new chairman introduced all county department heads.

### Mrs. Rardin Present

Also present at the meeting was Mrs. Rardin, who joined her husband in accepting the congratulations from the crowd who attended the reorganization meeting. Mrs. Rardin was accompanied to the meeting by her mother, Mrs. W. O. Strickland of Glennville, Ga., who is visiting in the Rardin home in Canal Point.

Court house observers also pointed out that never before had so many bouquets and floral displays decorated the commission room for a meeting of this type.

## County Board Will Assist Sheriff In Traffic Battle

The Palm Beach County Commission this week made available its legal and engineering staff in an effort to halt the growing number of traffic deaths in this area.

Sheriff John Kirk appealed to the board, for help in attempting to cut down highway fatalities. He said since the first of the year that traffic accidents are claiming lives at the rate of one a day. Eleven persons have died so far on Palm Beach County highways since Jan. 1.

"Something has to be done" Kirk told the commission and he appealed for the board's help for a county wide highway survey or aid in other means that might lead to greater traffic safety.

He also informed the board that a representative of the American Auto Association had been sent here to help solve the problem.

Chairman Paul Rardin assured Sheriff Kirk that the county commission "will do anything it can to stop this slaughter on the highways."

The board named Commissioner Kenneth Foster as a committee of one to work with the sheriff's department or other agencies in drafting a new traffic safety program.

It also instructed its engineering and legal staffs to make themselves available, when called on, to help work out a new traffic program.

### Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

At its reorganization meeting this week, the county commission set its regular meeting dates for the next year as the second and fourth Mondays of each month at the hour of 10:30 a. m.

The group also set its administrative meetings for Monday afternoon at the call of the chairman.

In another action the board reappointed all its department heads and noted that Mrs. Stella Winkles, who takes the commission minutes, has been a county employee for the past 45 years.

New committees made up from the commission, as named by Chairman Paul Rardin were:

Airport committee—Vice Chair-

man Kenneth Foster, Commissioner Lake Lytal and Chairman Rardin.

Children's Homes—Commissioners Lytal, Foster and Roy Michael. Agricultural Committee—Commissioners Sundry, chairman Rardin and Foster.

Personnel Committee—Commissioners Michael, Foster and Rardin.

### Jet Airport Goes To Public In Vote

The Palm Beach County Commission Tuesday ruled that residents of the county shall have a voice in deciding whether or not Palm Beach International Airport should be relocated.

Following a public hearing Monday, when pros and cons of the issue were discussed, the county board reviewed points discussed at the hearing and agreed that the problem deserved a wide consensus of opinion before it could be settled.

"It is the thinking of the Board of County Commissioners", said Chairman Rardin, "that in order to resolve the important matter of the relocation of Palm Beach International Airport, the will of the public can be determined only by a referendum (straw vote) at such a time as the county is actually in a position to proceed with the program."

Rardin pointed out that actual referendum elections are only called in the event of revenue bond issues or ad valorem issues, so the

county in this instance is calling for a "straw vote."

Time of the vote, the chairman said, will be initiated by the county board at the proper time—probably when the county is granted full and complete title to government lands on which the present airport is located.

The issue over the airport was raised after plans for construction of a new airport west of the Palm Beaches to handle today's jet planes, were presented. The county for several years has been working on plans for a new airport—plans which have been given wide publicity throughout the county. In recent weeks, the program has drawn opposition in some quarters which resulted in the public hearing earlier this week.

Mr. and Mrs. Ralph Harris, who have been making their home in Pahokee on Barfield Highway, plan to move to West Palm Beach this weekend.

Mr. and Mrs. Merle Wilson, former Canal Point residents now living at Opa Locka, visited his brother and sister-in-law, Mr. and Mrs. Jack Wilson, here Sunday.

## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving, is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4668.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

a castle in the air costs nothing  
—but you can't live in it!

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U.S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,317.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

*If you want your interest or current income, ask your bank about Series E Bonds, which pay dividends monthly by Treasury check.*

Choose your own savings goal

	If you want approximately

Each week for 10 years and 8 months, save.....	\$6.75	\$22.40	\$50.75

This chart shows only a few typical examples of savings goals and the weekly amounts you must save to reach them. For more information, ask your pay office or write to the U.S. Savings Bonds Office, Washington, D.C. 20535.

## Senator Carlton Is A Candidate

State Senator Doyle Carlton, Jr., of Wauchula has announced his candidacy for Governor. The announcement follows:

Today, I am proud to announce my candidacy for the Democratic

DOYLE CARLTON, JR.

nomination as Governor of the State of Florida.

The decision to seek this nomination has not been made lightly. It has been reached after considerable soul-searching. Public service in high office is the greatest privilege of our way of life — a privilege that must be earned by a record of accomplishment, secured by a practical program of vision and determination, and received with dedication and humility.

Among the factors that influenced my decision was the realization that the dawning Era Of The Sixties shall offer Florida the greatest opportunities that it has ever known. The future is limitless — preparation must be sound.

What is good and moral must be maintained and furthered — what is wrong must be eliminated — what is youthful must be matured — what is questionable must be challenged — what is right must be respected and aggressively advanced.

The opportunities that Florida faces must be strongly utilized lest its strength be sapped by the process of growth. And this growth must be accomplished in a practical, down-to-earth, business-like manner — with a mind that is open and alert to recognize these paths of progress — but with a strong hand that can remain firmly closed to needless expense and extravagance.

The task before us is not an easy one. It can be achieved only

if our goals are guided with sincerity and molded with conviction and courage.

I will shortly announce a detailed platform that I firmly believe will be attainable and worthy of accomplishment.

In considering my candidacy, I ask that I be judged by this platform, by the eight years of legislative service that precede this day, and by the campaign ahead.

At the earliest date permitted by law, I shall qualify for the race for Governor. I am secure in the knowledge that my only motivation is a sincere desire to serve the people of Florida — as has been the case throughout my public career — and that I shall prove worthy of the confidence shown by the many fine and dedicated people who have demonstrated their support.

I am determined that both this campaign, and my administration as Governor, shall reflect dignity and respect upon the people and government of Florida.

Mr. and Mrs. Elmer Jones have as guests their son-in-law and daughter, Mr. and Mrs. J. W. Bailey, and son, Jim. The Baileys made their home at Corpus Christi, Texas, before his recent release from the U. S. Navy.

## Council Changes Name Of Street

The Pahokee City Council in regular session at the city hall voted by resolution to change the name of Avenue of the Veterans in the Vetsville residential section to North Second Street.

It was also voted to construct new sidewalks on the south side of the newly re-named North Second Street between North Flame and North Elm Avenues, and on both sides of North Elm Avenue between First and Second Streets.

The Council rejected all bids for the purchase of a new garbage collection truck chassis and packer body, deciding to continue for the present with the use of existing equipment.

Mr. and Mrs. Fred H. Poteete have returned to Water Valley, Miss. after a visit with their son and daughter-in-law, Dr. and Mrs. F. H. Poteete, Jr., and family in Pahokee.

Mr. and Mrs. Robert Apelgren have as house guests his parents of New Britain, Conn.
